Sir,

I have the honour to state that the Minor Municipal Council of Nagamangala propose to increase the number of lamp lights in the Municipality, as the Town is not sufficiently lighted at present and in order to meet the expenditure to be incurred for this purpose, they propose to levy lighting tax at 6 pies per rupee on mohatarfa collections. I herewith submit, for favour of sanction of Government, draft bye-laws, for the levy of the said tax from the current year, framed by the Municipal Council on their behalf.

A notice (herein enclosed) calling for objections from the inhabitants of the place, for the levy of the tax was circulated among them. No objections of any kind are reported to have been received so far against such levy. Copies of the resolution of the Council are enclosed.

The finance of the Council are good, the closing balance at the end of November 1925 being Rs. 311c/-. The average yearly income of this Municipality is estimated at Rs. 2000/-.

As the levy of the lighting tax is intended both for increasing the number of lights and for the improvement of the finance generally, the ta. bye-laws as framed by the Council may kindly be approved

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Mysore District

Please note of the Condition laid down in cl(x) of Section 5 of the Indian Lights Act 1927 which says that the lighting does not exceed the limit- Section 62 of the Motor Rules is clear on the point as to when the lights have to be lighted

22/1

In the absence of definite information on the point, it was thought that the Motor Vehicles are authorised to fully lighting etc and a draft of the affirming of the draft Rules was sent up by the Deputy Commr was put up

Rule as per para 2 of the Notification dated 14.6.1922. It is seen that the Motor Vehicles are exempted from the operation of Section 54 of the Motor Rules relating to the fully of lighting but by Motor Vehicles this Notification has not been till now amended in this respect

As such the Nagarmapal Motor Vehicle which is a Motor Cycle cannot be authorised to fully the lights in question. The draft Rules can not therefore be sanctioned.

Reference is also invited to the
G.O. dated 8.9.1926.

The File No 85-25-26
relating to the draft Bye-laws of the
Mettupalayam Municipality for the levy of
lighting tax is also put up herewith.

For
11/6/26 The proposal is to levy
a lighting tax in respect
of mangalam (and in markets in
the limited limits) the G.O. order
of the 25th Nov 1920 authorises
only 4 kinds of taxes on
minor communities; and the
order of the 28th May 1926 has
added a 5th item viz water
rate. Why the taxes were
limited only to 4 items can
perhaps be understood
from a reference to the
original collection contained
in G.O. of the 1920. In view of
the order of 1926 it is a
point for consideration
whether lighting tax
may not also be arranged
and added now to the list
of taxes [illegible]

There are other items of legislation besides this 5 mentioned Rule for No. 2 S 241-87 Pt 53=21-100 & 10/2/88 Hon'ble Councils are at present entitled to levy

(a) Tax on land & buildings (b) Tax on vehicles & animals (c) Levy on Petroleum products (d) Octroi on animals & goods (e) Municipal fees under Sec 72 & Water Tax (f) Tax on vehicles & animals under Sec 73 (1) (g) Levy of fees for obtaining licences granted under Sec 70 (1) (h) Licence fees for markets & slaughter houses (i) Tax on animals sold in markets under Sec 160 (j) Water rate (k) Conservancy rate.

It will thus be seen that they may perhaps be allowed to levy a betterment levy as in Sec 55 (h) (ii) of this Act but not any of the other taxes which the Municipalities will have to forego.
